

Variable

```
graph TD; A[Variable] --> B[Assigned Value]; B -- "IS OF" --> C[Type];
```

The diagram consists of three yellow rectangular boxes arranged vertically. The top box contains the word 'Variable'. A solid black line connects the bottom of the 'Variable' box to the top of the middle box. The middle box contains the words 'Assigned Value'. Another solid black line connects the bottom of the 'Assigned Value' box to the top of the bottom box. To the right of this second line, the words 'IS OF' are written in a smaller, black, sans-serif font. The bottom box contains the word 'Type'.
